**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 16 You shall complete a mental health evaluation and follow any treatment recommendations, including taking prescribed medications, as recommended by the treatment provider. You shall allow reciprocal release of information between the supervising probation officer and treatment provider. You shall contribute to the cost of treatment according to your ability.
- 17 You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer.
- 18 You shall not enter into or remain in any establishment where alcohol is the primary item of sale.

**CAUSE**

On July 15, 2005, Mr. Moore reported to the probation office following his release from imprisonment. During this meeting we discussed the aforementioned conditions as a way to assist Mr. Moore in complying the terms of supervised release and assisting him further with sobriety. Mr. Moore indicated that mental health treatment will be beneficial. Mr. Moore agreed that alcohol has been on a problem while under supervised release in the past and concurs with the probation office that he should abstain from its use, possession, or places where alcohol is primarily sold.

## Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

To modify the conditions of supervision as follows:

- 16 You shall complete a mental health evaluation and follow any treatment recommendations, including taking prescribed medications, as recommended by the treatment provider. You shall allow reciprocal release of information between the supervising probation officer and treatment provider. You shall contribute to the cost of treatment according to your ability.
- 17 You shall abstain from alcohol use and possession and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer.
- 18 You shall not enter into or remain in any establishment where alcohol is the primary item of sale.
